

KEY USER MEMBERSHIP

At Sudbury's Centre for Mine Waste Biotechnology

A KEY USER MEMBERSHIP IS IDEAL FOR:

Organizations advancing research in biotechnology for mining

Entities working on smaller projects

Projects that require a pilot / demonstration site and / or access to specialized equipment and expertise

About the Centre for Mine Waste Biotechnology

Located in proximity to active mines, the facility will provide a development and testing site where large samples of waste materials can be brought for pre-processing

and treatment. With the Centre's world-class infrastructure and niche expertise, emerging mine waste biotechnologies will be optimized and ready to implement *in-situ* at mine sites.

Term: Three Years

Equipment and Site Rentals (-5% reduced fee)

Prioritized access and reduced fee to rent the pilot / demonstration facilities and specialized equipment:

- Material processing (dirty lab / milling / handling) lab
- Biomining (biooxidation / bioleaching) lab
- Bioremediation (soil / water / plant) lab
- Piloting spaces (indoor)
- Piloting spaces (outdoor)

From \$2,850-\$3,000 / day for equipment
From \$4,850-\$5,000 / day for site access

Research and Technical Consulting Services (up to 5 hours)

Access to world-class, cross-sector expertise: research associates, technicians, and a hands-on managing director

Approximate value of \$5,700

Sponsorship Benefits (Gold Member - \$5,000 value)

Opportunity to be viewed as a leader in the Centre, and have your corporate logo included in marketing / event materials

Annual Cost: \$50,000

Research Project Support (optional add-on)

Support or collaboration on a grant application

Analytical Package (value of up to \$1,500)

Suite of sample analyses from Centre capabilities completed to a total of \$1,500

Workshops / Training Sessions (2 annually)

A total of two workshops and / or training sessions on biomining / bioleaching advancements and other related topics

Dedicated Students (optional add-on)

Dedicated student(s) to support your research initiatives, fully supervised by the Centre's team

Access to Collaborative Space (5 days)

Opportunity to leverage the network of members at the Centre with five days of access to collaborative space

Commercialization Support

Advice and linkages to networks to support technology commercialization
